Approved For Release 2003/03/25 GARDRAD 2R000100290029-6 25X1A11A 6. Tentative agreement should be coordinated and cleared with the appropriate representative(s) of our Field Headquarters prior to your return. 7. It is also desired that in your report you include recommendations for the phesing out of our existing facility from 25X1 and the establishment of other cover for all our activities in that area. This recommendation should cover in detail the problems involved in disposition of personnel and assets of the existing facility. BY BIRECTION:
